Do we observe God's commandments because we believe that we'll be given material blessings in this world? Do we observe God's commandments because we believe that what awaits us in the world to come will be more fulfilling than if we fail to observe them? Should we observe the commandments simply because we hold them to be God's will? This morning's Torah portion gives us a textual basis to entertain such questions.

We welcome you to join us after services today for Kiddush sponsored by Area and Jonathan Kramarsky in honor of the Bat Mitzvah celebration of their daughter, Josie Kramarsky. Mazel Tov to Josie and the Kramarsky family.
